Intellectual Property, Confidentiality, and Non-Compete Agreement

IN CONSIDERATION of my internship with Tetherfi Technologies Pvt Ltd., or any of its branch offices, parent companies, or subsidiaries, whether located in India or abroad, existing at the time of my appointment or to be established in the future (hereinafter referred to as the 'Company'), and my continued internship for such time as may be mutually agreeable, as well as the opportunity to receive the Company's private or proprietary information and other good and valuable consideration, I hereby assign and agree to assign to the Company all my rights, titles, and interests in and to all "Intellectual Property," as defined below, made, created, developed, written, or conceived by me during the period of such internship, whether during or outside of regular working hours, either solely or jointly with others, including:

- a. In the course of such internship, or relating to the actual or anticipated business, research, or development of the Company;
- b. Or with the use of the Company's time, materials, private or proprietary information, or facilities;
- c. As used in this Agreement, "Intellectual Property" means inventions, discoveries, improvements, ideas, mask works, computer programs or other apparatus, and related documentation, as well as other works of authorship, in whole or in part, whether or not patentable, copyrightable, or subject to other forms of protection.

I will, without charge to my employer but at its expense, execute a specific assignment of title to the Company and do anything else reasonably necessary to enable the Company to secure a patent, copyright, or other form of protection for said Intellectual Property anywhere in the world.

I further agree to keep in confidence and not, except as required in the conduct of the Company's business or as authorized in writing by the Company, publish, disclose, or use, during and after the period of my internship, any private or proprietary information that I may acquire, learn, develop, or create as a result of my internship.

Additionally, I agree that I will not, without the prior written consent of the Company, during and for a period of three (3) months after the termination of my internship for any reason, act on behalf of any competitor of the Company:

- a. Render any services relating to strategic planning, research and development, manufacturing, marketing, or selling with respect to any product, process, material, or service that resembles, competes with, or is the same as a product, process, material, or service of the Company about which I gained any proprietary or confidential information or on which I worked during the three (3) years prior to the termination of my internship, or provide information about any customer of the Company about whom I gained any proprietary or confidential knowledge or with whom I worked during the three (3) years prior to the termination of my internship;
- b. During my internship with the Company and for a period of one year thereafter, I will not directly or indirectly solicit or encourage any interns to terminate their internship with the Company, except as may be required in the performance of my duties for the Company.

I further agree that this Agreement does not constitute a contract of internship.

I acknowledge that the copyrights in Intellectual Property created within the scope of my internship belong to the Company by operation of law.

The Company is extremely mindful of the critical nature of third-party proprietary information. Accordingly, I hereby represent that, during the course of my internship, I will not bring any such materials to the Company or expose any company interns to such materials, including but not limited to price lists, non-public organizational charts, pricing information, marketing plans, competitive analyses, and customer lists.

Under no circumstances may any such information be used to further the Company in the marketplace.

Additionally, any valid restrictions, covenants, or confidentiality agreements that I have previously agreed to with former employers must be adhered to during my internship with the Company, to the extent enforceable under applicable law.

In the event of any breach of this provision, to that end, I acknowledge that the company has not, and will not, require, request, or induce me to violate the confidential interests of any third parties, including the company's competition.

I agree to indemnify & hold the Company harmless for any claims, actions, suits, or proceedings arising thereto.

IN WITNESS WHEREOF, each party to this agreement has caused it to be executed on 5th December 2025.
